a fresh retelling of history's most told story

The book's two-fold purpose is to:

- 1) clear up the confusion that prevents people from taking the Bible seriously, and
- 2) clearly present God's age-old story and consistent message.

Weaving together real-life illustrations, e-mail excerpts from Muslims and others, and more than a thousand verses from Scripture, One God One Message uses the Bible's first four chapters as a key to unlock the readers' interest and understanding, and help them overcome countless obstacles as they take part in an unhurried journey through the best story ever told.

## COMMENTS FROM READERS:

"One God One Message

is a mine of truth. The writing style is unique; It is full of human interest. I pray that it will enjoy a wide circulation. It surely deserves it."

— William MacDonald (Author of Believer's Bible Commentary [Thomas Nelson] + 80 books)

"This book reaches to the deeper part of our souls for God to touch. This is not just for Muslims, but for any believer who needs to have their faith strengthened and anyone else who is searching for good answers to tough questions."

— Everett Perkins (Vice-President, Apogee Interactive)

"This book is written with the Muslim in mind but it also provides a sound biblical apologetic for any authentic seeker. New believers studying this book will be supremely enriched and spiritually edified. This deserves a global readership."

— Dr. T.V. Thomas (Co-Chair, Int'l Network of South Asian Diaspora Leaders) "I could hardly stop reading. The words were so clear and compelling."

— Don Darling (Executive Director of Smyrna Ministries International)

"An easy read, very informative and worthwhile."

— Tommy Bowden (Clemson University [now former] Head Football Coach) "One God One Message is a 'must read' for anyone serious about sharing what they believe, especially with their Muslim friends. It's not a small book, but the pace is well set."— Jabe Nicholson (Uplink Magazine, Aug-Sept 2007)

Premed University grad: "One God One Message is a unique book in that it concisely presents the entire message of the Bible without compromising its integrity. The e-mail messages interspersed throughout give the book its unique personality and assure the reader that the author is not shying away from difficult topics and questions. These e-mails intrigue and frustrate, while piquing and spurring on the readers' interest, propelling them from chapter to chapter."

Muslim in Middle East: "What can I say? Whew! I'm impressed! ... I am really learning..."

Lebanese aspiring journalist: "Starting with Genesis reveals a unity in the Bible's message which is very compelling. The way you described eternity with God is amazing. I would want to be in Heaven already."

Scholar of Bible and Qur'an: "I just want to second the endorsement of One God One Message. I plan to have a stash of them. This is definitely the kind of book that I feel completely comfortable giving away to all of my Muslim friends. It covers all the bases in a very appealing, honest, direct, and loving way. It's very well done. Let's do our best to spread this one around."

Web reader: "I just wanted to share with every body an amazing book that I have just read. It is called "One God One message." It takes you through the entire Bible and portrays its message beautifully. It also answers some of those deeper questions. It is mainly designed for monotheists but all are welcome. I dare say that most, if not all, Christians would benefit from reading this. Also for those of you that believe in a God but are not sure...this book is a haven for you."
